I am currently pursuing Communication Design at Pearl Academy. I look for creative solutions to problems and am currently looking for opportunities that can help me learn and get to know more about the design community.

## DESIGN EXPERIENCE

### **Product Designer at Mindhouse**, July '20 - April '21

Worked on a redesign for Mindhouse that updated the visual design and information architecture of the Android and iOS apps and created a modular design system to maintain consistency in components.

### **ASCEND – E-Talk 2020**, Freelance, February '20

Created an identity for a flagship event, E-Talk 2020, for Sri Venkateshwara College's society - Ascend, E-cell. Banners, standees, ID cards, flyers and social media posts were created for the same.

### **EdJustice – Live Industry Project**, Course Project, October '19

Helped create a coherent identity for the NGO and design the user interface for their mentor - mentee application.

### **InterCourses – Sex Education Simplified**, Overnight Designathon, IIIT Delhi, August '19

Researched and identified problems with existing platforms that facilitate Sex Education. Then, designed and prototyped an app that enhances the experience and makes it much easier.

### **DIY App**, Course Project, August '19

Designed and prototyped an app that helps people fix electrical and plumbing issues that they might face at home on a daily basis.

## EDUCATION

### **Delhi Public School, R.K. Puram** June '17

Recipient of red tie & pin for excellence in extra curricular activities

### **Pearl Academy** '21

Bachelors in Communication Design,  
majoring in Interaction Design

## AWARDS & ACHIEVEMENTS

### **Pearl Excellence Award** 2018 & 2019

Awarded for being in the top 1 percentile in class

### **Runners up, Design 360** August '17

Second prize at IIIT Delhi's bi-annual design hackathon for designing an Internet Banking system with a focus on UX

### **Creative Head, Exun Clan** 2016-17

Appointed as the Creative Head for The Exun Clan

## SKILLS

**Graphic Design:** Illustrator and Photoshop for illustrations and graphics

**Web Design:** HTML, CSS and Bootstrap

**Video Editing:** After Effects (Basic)

**UI Design:** Paper prototyping, Figma and Adobe XD for mockups, InVision for rapid prototyping

### **Second runners up, Esya, IIIT Delhi** August '18

Secured the 3rd position at the Design Showcase

### **Snapchat Geofilters** June - November '17

Got three community geofilters approved and uploaded on Snapchat with over 15 Million views

### **Top Google Local Guide**

Amongst the top 1% local guides in Delhi with over 12 Lakh views
